

## Time to upgrade!

Hello, As announced we would like to start scheduling dates for your 2007 Finance Upgrade. These Upgrades are taking place Tuesdays and Thursdays through out the month of October.

We upgrade your district in the evening hours so there is no downtime to your district.

We require all BAS users to be out of the system at 5 pm the day of the upgrade. If you require use of the system after 5 pm, please advise and I am sure we can work with your schedule.

If you have any questions, or concerns throughout the installation, please do not hesitate to call me, [Trish Holly](#), your Installation Coordinator or email us at [install@tscsoftware.com](mailto:install@tscsoftware.com).
